

Message from Cheryl Devault, PTSO President

On behalf of the AITE Parent Teacher Student Organization (PTSO), I would like to welcome all of AITE families back to the 2020-21 school year!

As a parent, guardian, student or faculty member, everyone is automatically a member of the PTSO; there are no fees or dues. Together, we strive to enhance the educational experience of students at AITE. Given that this year has begun very differently than we could all have ever imagined and with many unknowns still for this Fall, our PTSO events and support to the school may look very different, but we continue to look forward to helping support our students, teachers and school in any ways that we can as the year progresses. No matter what learning you chose for your children, you will still be a member of the AITE PTSO community. With restrictions to visitors to our schools and different ways of learning for our students, we will have to be creative in new ways to engage with the school community and families, but one way that we hope will be helpful to you now will be in getting valuable information to our families as we learn of it. There are some ways that families can stay up to date and receive helpful information this year:

The AITE PTSO will be sending out these email newsletters, *Bits and Bytes*, via Mail Chimp. If you would like to request to receive this email newsletter to additional /different emails other than the one you have on file with the school, please email the request to aiteptso1@gmail.com. If you prefer not to receive this newsletter you may unsubscribe at any time, after the initial newsletter.

We also have a Facebook page that you can join to receive valuable information throughout the year- *AITE: Parents, Families & Friends*

Visit the home page of the school website at <http://www.stamfordpublicschools.org/aite-high-school>

Feel free to contact us with any questions or concerns, and of course we always welcome ideas and suggestions!! As we begin to understand the PTSO role and how we can support the school more this year, we will be updating you in a timely manner so that you can get more involved in ways that your schedule will allow.

We look forward to a new year and hopefully meeting many of you!

Cheryl Devault

AITE PTSO Senior Co-President Aiteptso1@gmail.com
